Dear praying friends and supporters,

We are so thankful for all of you, and for your faithful prayers and support!

Last week we had our second annual Friends of First Nations Tent Meeting at Lighthouse Bible Baptist Church in Six Nations in southern Ontario.

We are so thankful for Pastor Ken Hess and the people of their church for all the work they did in hosting this amazing meeting, and we are especially thankful for all that God did, and continues to do in hearts and lives.

The theme of our tent meeting this year was “He healeth the broken in heart” Psalm 147:3

We enjoyed great preaching and testimonies, amazing music, and sweet fellowship. One precious soul was saved and many people were greatly encouraged.

Since our first tent meeting last year, I had been praying that the Lord would allow us to bring some people from our church this time, and He answered my prayers, and we headed out after church on August 2nd in the van. We even picked up a hitch hiker on the way. Brother Karl Galindez joined us in Saskatoon.

It was a long drive but it was worth it. The Lord blessed the meeting greatly, and we are already looking forward to next year.

Sheri was hoping to see her cousin Kim in New Brunswick before she passed away,(she had stage 4 cancer), but Kim

went home to be with the Lord the Tuesday before we left for Six Nations. Sheri already had her ticket so she flew to New Brunswick after the tent meeting, and is there visiting with family and friends. She comes home on Monday.

We are looking forward to starting up our online Bible classes again on September 14. These were a great help and encouragement to many last year, and we are praying that the Lord will continue to use them this year.

Please pray for Angel Okeynan, the lady,(from Paul Band) who trusted Christ as her Saviour during the tent meeting, that she would be encouraged and grow in her new life in Christ.

Please pray for Sheri, that the Lord would give her strength, and use her to be a blessing to family and friends in New Brunswick, and that she would have a good trip home.

Please continue to pray for Ron Potts. He recently went through two surgeries, and was in the hospital in quite a bit of pain for several weeks, but he is now home and the pain is much better. He is still quite weak though, and needs prayer. He is 81.

I want to thank you again for your prayers!
We see the Lord working, and we know that it is in answer to your prayers.

God bless you!
