Dear Pastor and Church Family,

August 2025

As the summer comes to a close, we continually see God's blessing on the ministry here. Our Sunday services are often bring us new visitors that are curious about who we are. Recently there have been a couple of families giving our church a more lengthy trial period to see what we are all about. I believe that some of these folks will continue with us. Our efforts in reaching into our communities continue with door-hanger outreaches as well as mail-out invitations to the more rural areas. Please pray that we would see fruit from this work.

Our annual Friend Sunday is coming up in September. Last year's event was well attended and we have folks that have continued to come to church since they were first invited for that day. Pray that this year we would be able to see even more folks join us and, most importantly, come to hear the gospel that day.

One of our faithful church families is soon moving back to Mexico and we will miss them greatly! They have been working to "replace themselves" and have recently brought new friends along to Sunday services as well as our midweek Bible study. This is a blessing to us and we trust will be a reward for them.

Thank you to each one that takes the time to pray for our family. While ministry is obviously not isolated to Sundays, we as a family often feel the strain on our household on the weekends. Please pray, not only for me as I prepare for the preaching, but also for our boys. It is my desire that they would see the joy of serving the Lord, but first of all that they would come to Christ for salvation themselves.

Sincerely,

The Hollingsworths

please pray for **LIBERTY** BAPTIST CHURCH
